

Status Correction App Training Notes:

This process assists in the completion of all documentation required to open an account with the Global Family Group. This process uses GFG documentation, so can be used by anyone outside of the USA.

Please keep in mind, the quality of what you submit to this app, will determine the quality of the final documents you receive. This is an automated process, so no individual attention will be given to check the information you provide.

Before you start the process, ensure to first watch all the short 'How to' videos. Also ensure that you have all documents and information ready before you start the process.

Tips:

IMPORTANT: ONLY use your **own personal email** address. Using someone else's email or cell number means that the documents cannot be processed. The information must be exactly the same as the documentation you will provide. Enter your physical address exactly as per your Proof of Address. Your district that you live in is your town name.

You will be requested to provide the information of 3 witnesses. Make sure these are individuals who have known you for 7 years or more, older than 21 and stays/works close to you as they need to each sign your documentation.

Once you have followed all steps and provided all information, you will be able to immediately download all the documents, in the correct format, that must be uploaded to GFG.

What we require from you:

Selfie photo (see How To video below)

Proof of address

Photo of your right thumbprint, in red ink (see How To video below)

What you will receive from us to sign and autograph:

Tips and rules on the documents you upload:

1. Credentials:

This is your government issued identity document, or your drivers' licence, or your passport.

Only the page that has your photo on is needed.

Place the document on a white piece of paper. Use your phone to take a photo. Make sure there are no lights/shadows reflecting on the card. Everything should be clearly visible when the photo is enlarged.

This photo must be in full colour.

DO NOT turn your phone sideways/horizontal to take the photo.

2. Selfie photo:

A selfie with a white background, no glasses/hats and no smile, only include your head and top of shoulders.

Take your cell phone, stand against a white background and take a selfie. It should be very clear, in colour and without shadows.

Only take a picture of your head and top of your shoulders. – IMPORTANT as we cannot adjust the photo to suit the purpose.

The photo should be taken from close by – do not strike a pose (-:

Do not take the photo from the bottom or the top – the camera must be straight in front of your face.

3. Proof of address:

This can take on any form, as long as it is clearly addressed to the name as per the ID document provided.

A letter from your landlord or municipality is acceptable.

Please ensure the postal code is included.

Examples include: letter from your bank, statement of any account, utilities account, package or letter received

4. Right thumbprint in red ink:

Your Seal – this is your RIGHT thumbprint in RED ink (you can also use red food colouring and cotton swabs to achieve a print).

We require 5 thumbprints on a white piece of paper. The best one out of the 5 will be used.

They must be clear with no smudges or blotches.

This is required as your personal credential card will have your thumbprint printed onto it.

TIPS: Practice on a piece of paper first. Remove excess ink by lightly touching tissue paper. Do not press your thumb down on the paper, instead, roll your thumb over the paper from the one side to the other.

DO NOT ROLL BACK as a double print will form.

Take a clear **photo** (DO NOT SCAN), in very good lighting and without shadows of the page with your thumbprints.

IMPORTANT: When enlarged, the lines on your thumbprint must be visible.

Signing of documents:

All documents **MUST** be signed in **BLUE** pen

You will receive the following documents for signature and autograph:

1. Universal Public Declaration
2. Witness Testimony 1 and 2

Print all 3 pages of the UDP and Witness Forms **IN COLOUR** and autograph/sign as per the instructions below. Once complete, scan or take a very clear photo - **IN COLOUR** then upload the signed documents.

Please ensure that you sign/autograph these exactly as per the examples below.
